PERSONAL

Born on December 28, 1984 and saved at age 9, but rededicated in 2007. I am a single male. My hobbies and interest include athletics, skiing, and just being outdoors. I like all styles of worship, but the modern style of worship is what I have used most often.

OBJECTIVE

To serve as the full-time worship pastor at The Bridge Community Church.

WORK EXPERIENCE

Territory Sales Executive, EMECO Equipment; London, KY — 2006-2010

I covered all of Kentucky and Virginia selling heavy earth moving equipment. I handled over 100 clients. The company decided to close it's doors in early 2010, and I was laid off.

MINISTRY EXPERIENCE

Worship Leader, Celebrate Recovery at New Life Church; Colorado Springs, CO — January 2011-May 2011

This was a start up Celebrate Recovery (CR) I joined as a part of my schooling to become CR's worship leader until graduation.

Youth Worship Leader, Christ Community Church; London, KY — January 2010-August 2010

I was brought on as a volunteer to build a youth worship team. This was a church plant and as I left, there was a fully functioning worship team in place.

Youth Worship Leader, Faith Assembly of God; London, KY — 2007-January 2010

My main objective was to lead the youth into the presence of God where they could experience Him fully. The other side to that is I tried to raise up the next generation worship leaders on the team.
